

Entrepreneurship Development Cell

Entrepreneurship Development Cell was established in the college with the vision “Turn around the “Job seekers” into “Job Creators” in the year 2011.

Vision: Turn around the “Job seekers” into “Job Creators”.

Mission:

Create conducive atmosphere to motivate young students towards Entrepreneurship.

Develop necessary infrastructure and facilities to initiate venture start-ups

Creation of first-generation entrepreneurs in a conducive environment where budding entrepreneurs can venture into start-ups and realize the path for a successful Entrepreneurship through the resources of EDC Cell.

Objectives of EDC:

1. Fostering the entrepreneurial spirit.
2. Incubation of technical projects/start-ups.
3. Creating awareness about Transfer of Technology.
4. Encouraging entrepreneurs to promote Small & Medium Enterprises.
5. Commercialization of R&D products and processes.
6. Helping towards marketing of Products & Processes.

Management of EDC:

The Cell is being headed by Prof. P. Vishwanath, Professor, Department of Electronics and Communication Engineering as Chief Coordinator and Dr. Vanishree Sah as coordinator. There is a separate account opened for the activities of EDC to be operated by the Principal of the college.

EDC Activities

One Day workshop on Innovation Ideation and Startups

One Day workshop on Innovation Ideation and Startups was organized on 2 July 2022 for 30 students from various branches of our college. Guest speaker Dr. Shivakiran M.S., Head, Atal Incubation Center, Sri Krishnadevaraya University, Anantapur. The guest speaker spoke on how the students can make a wonderful career through entrepreneurship and become job providers. He also spoke on how the government is trying to support the budding entrepreneurs through technical support, financial support and mentor support. By the end of the workshop the students were quite boosted up on taking up the journey of entrepreneurship.

One Day workshop on “Employability Skills for Engineering Graduates”

One Day workshop on “Employability Skills for Engineering Graduates” was conducted on 10 June 2022 for 120 students from CIVIL and Mechanical Departments of our college by NICMAR , Hyderabad. The guest speakers were Dr. Mahesh Balasubramani and Prof. Prashanth Kumar Sreram from NICMAR. The students got an insight on recent developments and advancements in the construction industry and the opportunities for CIVIL and Mechanical students in the Project Management and Construction sector. The students were also sensitized on the latest skill sets that are required by the current market scenario. The students gave positive feedback on the workshop and the workshop also helped them in channelizing their career.

Bootcamp on Startup idea pitching

Six students from II nd year from our college have participated in Startup Idea pitching organized by Sreenidhi College of Engineering from 16 – 18 June 2022. Our college stood first in the competition.

One week Workshop on Bio Design and Innovation

One week Workshop on Bio Design and Innovation was conducted on 6 November 2021 for 30 students at our college. The guest speaker was Dr. Vimal Kishore, doctor and innovator, Director of Clinical Innovations, COEO Labs Pvt. Ltd. The guest speaker gave insights into the opportunities that are there for entrepreneurs in Biotech sector. He discussed some of the case studies on products that have been designed and developed indigenously and how they have proven to be very successful in India and abroad. The students gave positive feedback on the workshop as they got awareness on scope for entrepreneurship in Biotech sector.

One Day Workshop on “Entrepreneurship and Innovation”

One Day Workshop on “Entrepreneurship and Innovation” was organized on 9 Oct 2021 in which 30 students participated. The guest speaker was Mr.Bhanu Prakash Reddy Varla, alumnus of IIT Bangalore, IIM Bangalore. He is Cofounder, Partner & Director of the following four companies: Gray Logic Tech, Urban Kisaan, Edify Path and Beenfield Consulting VC. He is also an Angel Investor and Mentor. The guest speaker gave insights into lives and

journey of successful Indian entrepreneurs. The students got inspired by the talk given by the guest speaker.

One Week EDP on “Start-Up Entrepreneurship in IT sector”

One Week Entrepreneurship Development Programme on “Start-Up Entrepreneurship in IT sector” was organized on 15 -20 March 2021 in which 50 students of CSE and IT department participated. The workshop was conducted by NEDC, New Delhi. The speaker was Mr. Dayanand, Programme Executive , Defence Innovation Organization. Some of the topics covered were - Role of various Government Organizations and other promotional institution involved in development of Start-up in IT sector of India; Business Environment Scanning for IT Companies; Idea Validation Process- Idea Identification, Assessment, How to test a Business Start-up Idea Viability in current Scenario, Project Identification & opportunity guidance for IT Sector, Upcoming Start-up opportunities and Challenges- IT sector Post Covid.

Two Day workshop on “Make in India and Entrepreneurship”

Two Day workshop on “Make in India and Entrepreneurship” was organized on 2 and 3 January 2021 in collaboration with ECE Department in which 135 students of our college participated. The guest speaker was Dr. V. K. Arora, CEO, IGOTUW, Anveshan foundation, IGOTUW campus, Delhi. The topics covered were “Opportunities and Challenges faced by Entrepreneurs in Indian Market” and “Critical skills required by entrepreneurs to face these challenges”. The workshop was successful, and students got lot of valuable inputs from the speaker.

One Day webinar on IPR

A One Day webinar was organized by Koneru Lakshmaiah Intellectual Property Facilitation Center, sponsored by MSME on 9-01-2021 in which 13 faculty and 4 students from our college participated. The topics covered during the webinar were Utility Patents, Trademarks & Copyrights. Resource person was Mr. Praveen Daniel is the Assistant Controller of Patents & Designs, IPO, Chennai. He had worked with the Design Wing in Patent Office, IPO , Kolkata from 2009 to 2017. He is the lead initiator of IPC-EUI Project and attended the Quality Management Mission consultation at Alicante, Spain in 2016.

One Day virtual workshop on “Need Identification and Ideation”

A One Day virtual workshop on “Need Identification and Ideation” was organized by EDC of CVR College of Engineering on 27-12-2020 in which 69 EIE students and 2 faculty participated. The topics covered in this programme were: Need Identification; Ideation; Scope for Entrepreneurship especially in Biotech sector. The resource person was Dr. Vimal Kakani, Director- Clinical Innovations, COEO Labs Pvt. Ltd.

One Day virtual workshop on “Creativity, Innovation and Ideation”

A One Day virtual workshop on Creativity, Innovation and Ideation was organized by EDC of CVR College of Engineering on 21-12-2020 in which 131 CIVIL students participated. The topics

covered in this programme were: Creativity; Innovation; Ideation. The resource person was Dr. Sainath M, Advisor to Telangana IT Association, Hyderabad on Start – Ups and Innovations.

One Day virtual workshop on “Creativity, Innovation and Ideation”

A One Day virtual workshop on Creativity, Innovation and Ideation was organized by EDC of CVR College of Engineering on 22 – 12-2020 in which 50 Mechanical students participated. The topics covered in this programme were: Creativity; Innovation; Ideation. The resource person was Dr. Sainath M, Advisor to Telangana IT Association, Hyderabad on Start – Ups and Innovations.

Two Day virtual workshop on “Make in India and Entrepreneurship”

A Two-Day virtual workshop on “Make in India and Entrepreneurship was organized by EDC of CVR College of Engineering on 2-2-2021 and 3-2-2021 in which 228 ECE students participated. The topics covered in this programme were: Make in India - Opportunities and challenges, Critical skills required to be a successful Entrepreneur, Importance of identifying the actual need and testing of idea and market research. The resource person was Dr. V K Arora, Chief Executive Officer, IGDTUW Anveshan Foundation, IGDTUW Campus, Delhi.

Campus Ambassadors:

Campus Ambassadors for E-Cell, IIT, Hyderabad for one year, i.e. from September 2020 to August 2021 are the following five students:

1. Preethi Avvaru, ECE III year 18B81A0491@cvr.ac.in
2. Yashwanth Kumar Jannaikode IT III year 18B81A1259@cvr.ac.in
3. Srimanth T ECE III year 18B81A04N6@cvr.ac.in
4. Nadeem EEE III year 18B81A0277@cvr.ac.in
5. S. Abhinav II year 19B81A04C2@cvr.ac.in

T-Tribe (T-Hub, IIIT , Hyderabad)

The following are 56 students from CVR College of Engineering who are part of internship programme on “Entrepreneurship, Start-Ups and Innovation” by T-Tribe (T-Hub, IIIT , Hyderabad) for one year from September 2020 to August 2021.

16	18B81A05T0	Ms.Y. Pallavi	CSE
17	18B81A05S1	Ms. Lohitha Gattu	CSE

Hackathon on “Hack for the Need”

Hackathon on “Hack for the Need” was organized by Vaagdevi College from 6 April 2020 to 11 April 2020 in which a team of 4 students from EEE department and mentor Mr. Rakesh Kumar, Associate Professor from EEE department participated. The team stood first. The names of the students are:

S.No.	Student name
-------	--------------

1	Tarakesh
2	Srimanth Tenneti
3	Ritesh
4	Anurag

National Level Awareness Programme-2020 on MSME:

A One Day “National Level Awareness Programme-2020 on MSME” was organized by CVR College of Engineering in collaboration with Kadhi and Village Industries Commission (KVIC) for 100 B.Tech III year students from EIE and IT Departments on 3 rd March 2020. Keynote address was delivered by Sri V.Chandulal, State Director, Khadi and Village Industries Commission, State Office, Telangana, Hyderabad. A Presentation was given by Sri G.Narayana Rao, Assistant Director, Khadi and Village Industries Commission on Schemes/activities of M/o MSME & also on Entrepreneur development. Vote of Thanks was delivered by Sri K.Uday Kiran, Jr.Translation Officer, State Office, KVIC, Telangana. The workshop was insightful for the students.

Workshop on “Entrepreneurship in Upcoming Business Ideas”:

A One Day Workshop on “Entrepreneurship in Upcoming Business Ideas” was organized on 10 February, 2020, in which 75 students participated. The guest speaker for “Entrepreneurship in upcoming business ideas” is Mr. Sidharth Reddy Gauni, Co founder & CEO, Gaumanchi International (Singapore) Pte. Ltd. The students gave positive feedback on the guest lecture. He covered the following topics in his guest lecture:

- Initiatives to Jumpstart Regional Economic Development through Science and Technology
- Navigating the Maze of Innovation and Entrepreneurship Opportunities
- Briefing on Green Entrepreneurship, Social and Community Entrepreneurship

Workshop on “Entrepreneurship in Agritech”:

A One Day Workshop on “Entrepreneurship in Agritech” was organized on 17 February 2020, in which 68 students participated. The guest speaker was Mr. Bhubesh Kumar, Director, RICH, T-Hub, IIIT-H. The students gave positive feedback on the guest lecture. The guest speaker covered the following points in his guest lecture:

- Problems being faced in agriculture and how these problems can be solved technically.
- Insights on latest developments in Agritech sector
- Technical skills and specialist knowledge of sustainable agriculture,

“Design thinking” course for students:

The course was conducted for 198 students of our college for 14 days during February-March 2020. The course was taken by 30 faculty belonging to various departments who had

undergone FDP on Design thinking. The students got an in depth knowledge on the following topics:

- The five practices that enable innovation
- Steps involved in design thinking
- Scaling Design Thinking
- Critical success factors while implementing Design Thinking
- Possible Applications of Design Thinking
- The Innovation triangle
- Design Thinking Mindsets
- Methodologies for Design Thinking

The guest speaker was Mr. Abhimanyu Bharadwaj, Founder and CEO, M/S. Launchspace Innovations Pvt. Ltd. The workshop also included several team activities, analysis of case studies, and critical readings. The feedback on the workshop was very positive.

FDP on “Design Thinking”:

A four day Faculty Development Programme was organized by Entrepreneurship development Cell on 4th, 8th, 11th, and 18th January, 2020. Thirty faculty members from all Departments participated in the FDP. The guest speaker was Mr. Abhimanyu Bharadwaj, Founder and CEO, M/S. Launchspace Innovations Pvt. Ltd. The topics covered during the FDP were:

- a. Introduction to Design Thinking
- b. The five practices that enable innovation
- c. Steps involved in design thinking
- d. Scaling Design Thinking
- e. Critical success factors while implementing Design Thinking
- f. Possible Applications of Design Thinking
- g. The Innovation triangle
- h. Design Thinking Mindsets
- i. Methodologies for Design Thinking

FDP also included several team activities, analysis of case studies, and critical readings. The feedback on FDP was very positive.

List of faculty who had undergone FDP on Design Thinking

Entrepreneurship Awareness Camp:

“Entrepreneurship Awareness camp” was organized for 125 students of all branches of B.Tech III and IV year students from 26- 28 Sept 2019. The camp was sponsored by Entrepreneurship Development Institute of India(EDII), Ahmedabad. The guest speakers on 26th September were Mr. Abhimanyu Bharadwaj, founder of Launchspace, Mr. Avanish Mundhra, founder of Cantilever Labs, Mr. Vamsi T Mohun founder of IFIT Forum. The guest speakers on 27th September were Mr. Harsha Kankanala founder of Edwisely and Mr. Sri Charan Lakkaraju, founder of Stumagz, The guest speaker on 28th September was Mr. Ganesh Rayala, Marketing Head, Valuelabs. There was an industrial visit to T-Hub, IIIT Hyderabad on 28th September. Some of the topics covered during the camp were Modern Entrepreneurship, Innovation, and Product Design Thinking. There were hands-on sessions on Problem Identifying activity, pitching of ideas and validation of ideas. There was a very positive feedback from the students.

Workshop on “Entrepreneurship”:

One day workshop on Entrepreneurship was organized on 13 August, 2019. 60 students from various branches participated in the workshop. Guest speaker was Ms. Sravani Ramisetti, Consultant, McKinsey, USA. The guest speaker delivered hands-on-session on the steps involved from idea generation stage to product prototype development stage. The students gave positive feedback on the workshop.

Workshop on “Entrepreneurship”:

One day workshop on Entrepreneurship was organized on 25 July 2019. 60 students from various branches participated in the workshop. The guest speaker was Mr. Vijaya Ramaraju, Founder and CEO of Instagreen . The guest speaker delivered a talk on his journey from ideation stage to commercialization stage of his product.

Workshop on “Entrepreneurship”:

One day workshop on Entrepreneurship was organized on 11 July, 2019. 60 students from various branches participated in the workshop. The guest speaker was Mr. Rakesh Munnanooru, Founder and CEO of Whistle Drive. The guest speaker delivered a talk on the qualities of successful entrepreneurs and his experiences as an entrepreneur.

Smart India Hackathon 2019:

It was held on 1 & 2 March, 2019. In SIH 2019, the students had an opportunity to work on challenges faced within the private sector organizations and create world class solutions for some of the top companies in the world, thus helping the Private sector hire the best minds from across the nation. **30 students from our college participated in this hackathon. Our college has won 4 prizes :**

1. Nodal Center Best Prize-Rs 1,00,000
2. Nodal Center Third Best prize, Department Level First Prize(Rs 50000)
3. Nodal Center Level Runner-up 1
4. Nodal Center Level Runner-up 2

The management of CVR College of Engineering, honored the winning teams with matching cash prizes amounting to a total cash award of 2 lakhs across all the winning teams.

Smart India Hackathon (Hardware) 2019:

The third edition of the Smart India Hackathon (Hardware)-2019 was conducted by the MHRD Innovation Cell from 8-13 July,2019. **Team Enigma 99** from our college won Smart India Hackathon 2019. The team had developed a **smart sensor** based fuel tank guard alarm to give **protection against theft and siphoning**. The team received a cash prize of one lakh rupees and further opportunities from the Government of India to extend their product under Ministry of Coal. Our college Management felicitated the entire team (4th year ECE students, Rohan Vamshi, Robin Wilson, SanthoshKumar, Rohit Patil, Sahithi Ammana, TRasgana) and the mentor of the team (Dr. Gaurav Sharma) and gave a cash prize of one lakh rupees to the winning team.

Research and Development Showcase:

10 faculty members and 40 students from various branches of B.Tech had attended the R&D showcase, 2019 at IIIT, Hyderabad on 23rd and 24th February, 2019 where 200 research projects were demonstrated and where some of the most recent developments in research and innovation in technology at IIIT-H. The students got awareness on the latest developments in research and innovation in technology through the research projects that were displayed and demonstrated at IIIT Hyderabad.

Following faculty members are willing to go to IIT Hyderabad on 23rd and 24th February, 2019 (Saturday and Sunday):

Sl.No.	Name of the Faculty	Department
1.	Dr. Usha Rani	CSE
2.	Mr. R. Srishylum	CSE

Faculty Development Programme Organized:

Faculty development Programme on “**Intellectual Property Rights**” was organized by **National Institute for Micro Small and Medium Scale enterprises**, for 14 faculties from all the branches of B.Tech from 5 Sept to 7 Sept 2018. The programme was sponsored by CVR College of Engineering. **Mr. Vijay Kumar**, Agent for IPR, I-Win IP services, **Mr. K.Ravindranath**, Consultant and agent for IPRs, **Mr. Ashok Ram Kumar**, Attorney for IPRs, **Mr. Vijay Bhaskar Reddy**, founder of RootsIP.com, **Ms.V. Swapna**, faculty of Ni-msme, **Dr.Sanjeev Chaturvedi**, Director of Ni-MSME and **Dr. Dibyendu Choudhury**, faculty of Ni-Msme took sessions on various topics in Intellectual Property Rights and created an awareness on various Property rights like Patents, Copyrights, Trademarks, trade secrets, and Industrial design. The faculty members who participated in the FDP were:

S.No	Branch	Faculty Name
1	CSE	M. Sathya Devi
2		R. Sahith
3	MECH	Pathan Yasin
4	IT	Srichandana Abbineni
5		S. Anup Kant
6	EEE	Dr. D. Obulesu
7		R. Harsha Vardhan
8	CIVIL	Rajagopal R. Madabushi
9		P.Rama Krishna
10	H&S	Dr.P.Vanishree Sah
11	ECE	Shakeel Ahmed
12		Karrar Hussain
13	EIE	G.Venkateshwarlu
14		K. Uday

Workshops Organized on “Startup Ideas”:

One Day Workshop on “**Startup Ideas**” for 80 students of all the branches of B.Tech IIInd and III year was organized on 20 September, 2018. The guest speaker was **PDr.K. Harshavardhan Reddy**, founder of Edwisely. **Mr. Harshvardhan Reddy** spoke on ideas which need to be innovative, having uniqueness and on the importance of timing of launching of a product. He also threw light on ideas which need to be customer centric.

Entrepreneurship Awareness camp:

“Entrepreneurship Awareness camp” was organized for 80 students of all branches of B.Tech II and III year students from 28- 30 Sept 2018. The camp was sponsored by **Entrepreneurship Development Institute of India(EDII)**, Ahmedabad. The guest speakers on 28th September were **Mr. Gopi Krishna**, founder and CEO of Lean Spoon, **Mr. Surya Subash**, founder and CEO of PrimeAuth, and **Ms. Ashwita Reddy**, founder and CEO of LevelApp. The guest speakers on 29th September were **Mr. K. Harshvardhan Reddy**, founder of Edwisely and **Mr. Leela Sai Dev**, Chief of Sales and Marketing at Zelinoid Technologies Pvt Ltd. The guest speakers on 30th September were **Mr. Sumanth Bommothi**, Head of Marketing and Business Development at My Dream Store, **Mr. Y. Srinivasa Rao**, Executive Director, Dakshah ebiz Consulting Pvt. Ltd. **Ms. Renuka Bodla**, Startup Mentor and Investor at IIIT Hyderabad.

Workshop on “Entrepreneurship Skill Development” Programme :

One- day workshop on “Entrepreneurship Skill Development” was conducted for III year B.Tech students of CSE Department on 2nd August, 2018. It was organized jointly by Entrepreneurship development Cell and CSE Department. The first Guest Speaker was Mr Sharath Gradlane, founder and CEO of HEDNXT, Hyderabad who delivered a talk on Marketing Skills required for an Entrepreneur. He also gave inputs on how Business Plan has to be prepared by an Entrepreneur. The second Guest Speaker was M.Naveen Kumar, City Manager of KrazyBee, Hyderabad who delivered a talk on Life Development Skills required for an Entrepreneur.
